

Dear Parents/Guardians,

Broward County Public Schools is currently in the process of transitioning from Pinnacle to Focus. The Focus Parent Portal account gives families convenient and secure access to their student's school information, including school grades, attendance, interim reports, report cards, and more, anytime and anywhere.

All parents/guardians of new and/or current students will need to register for the Focus Parent Portal.

To register for the Focus Parent Portal, you can either:

1. Go to www.browardschools.com/focus
2. Download from your app store BCPS Connect.

You will need an email address that is linked to your child/ren in the school and your child/ren 10-digit student identification number (06....).

If you need help obtaining their numbers, please contact our main office staff via email and allow us 24 hours for a response.
